Published by:
The Senior Annual Staff, North Central High School, Spokane,
Washington, Printed by R. Wallace Pischel, Inc., Pasco, Washington.

Vol. LIX No. 57

Since graduating from North Central in 1936, Don Eagle has continued to serve and actively support this high school. Helping coach boy's sports and presenting the students with an annual convocation are only a few of

Don Eagle's contributions as an N.C. alumnus.

It is with pride and admiration that the 1967-68 Tamarack staff of North Central dedicates this book to Don Eagle.

ADMINISTRATION

School Board Decides Policy

Superintendent Albert Lee Ayars, Ed. D.

Efficient operation of Spokane's educational system was the result of frequent meetings of the principals and administrators of the city's schools.

Decisions on widely ranging school problems concerning policy, rules and enforcement is up to the School Board. Approval of staff and improvements in relation to particular schools are also the duty of our directors.

Appointment of a city superintendent is made by the School Board. Dr. Albert Ayars has served three years.

It is also the duty of the School Board to employ assistants, supervisors, teachers, janitorial help, cooks and other personnel for the functioning of schools. Details such as provisions for textbooks, audio-visual aids and essential supplies to aid teachers are directed by the Board.

In the recent fall election, Orville L. Barnes and John R. Warn were elected to the School Board of District No. 81. They have contributed to the decisions and policy-making of the Board since assuming the position.

Meeting in a regular session are District No. 81 Board of Directors: John R. Warn, Helen Hazen Rymond, Bryon L. Swanson, Orville L. Barnes, William Gordon Luscher and Dr. Albert Ayars, superintendent.

NC Administration

The administration at North Central is directly responsible for the efficient management of all school affairs. Most policy interpretation is handled by the principal, John P. Rodkey.

Having served his second year as vice-principal at North Central, George A. Smith has now become a familiar figure about the school as he handles the problems of student management and control.

North Central has a dedicated administrative staff, which has devoted many hours to the betterment and understanding of its students. Their aim is to be of service to both students and parents in solving scholastic and social problems.

Graduates Bid Farewell

In Memory of

Michael W. Brophy,

Our Fellow

Classmate

How do we comprehend the mystery of God's plan?

A God who could grasp the life strings of a fellow student.

And, pulling sharply, draw him unto Himself?

So was the story of Michael W. Brophy, killed in an auto accident this past school year.

Tragedy causes a duel in which grief and self-evaluation are a part.

Those who knew Mike were acutely aware of his absence.

Others remember with shock the cause of his death.

And wonder what might have happened to his life had he lived.

Understanding escapes us. We can only hope he rests in the hands of God.

Expressing the determination of the Indians, Head Coach Jerry Martin looks on at the Shadle game.

Varsity Football

Although off to a slow start, the Warriors finished the season in the true N.C. tradition by destroying the Ferris Saxons, then making the number one team in the state, Lewis and Clark prove it!

Coach Martin summed up the season by saying, "The team started out overconfident, then all season we had a gross amount of boys who couldn't play because of injuries and sickness. Then, when they could play, they were handicapped by these injuries."

New from Bellevue, Washington, this year, the Braves how'd Jim Upchurch as Varsity Line and Assistant Wrestling Coach. Mr. Upchurch took his Bachelor's and Master's degrees from Whitworth College here in Spokane, where he played offensive center for the Pirates. We're happy to have you in Injun Territory, Coach. Welcome to the reservation.

After falling to Shadle Park 21-0, Coaches Upchurch and Tucker reflect the dejection of the team.

Two Braves were placed on the All-City teams this year for their outstanding play. Mike Jordan was cited for his excellent season as Fullback and Linebacker. For his aggressiveness and leadership on the defense, Lee Evans was named to the Chronicle team.

Bees, Frosh Strive for Varsity

The B-Squad is the last stepping stone to Varsity for footballers at North Central. During this stage, the players are taught more discipline and fundamentals which will make them not only better football players, but better individuals as well. The Varsity coaches keep their eyes on the players who are hard-hitting and have the true desire to win.

Reflecting on the season passed, Coach Mike Bundy stated, "We started the season slowly, but at season's end we felt we were the best B team in the city and intend to prove it in the next two years with city championships."

The Braves showed great promise, finishing the season with

three consecutive wins.

Football is no longer a game of brawny strength, but one of tactics which tax each player's brain to its fullest capacity. It was this principle that Frosh Coach Joe Schauble instilled into the Papooses.

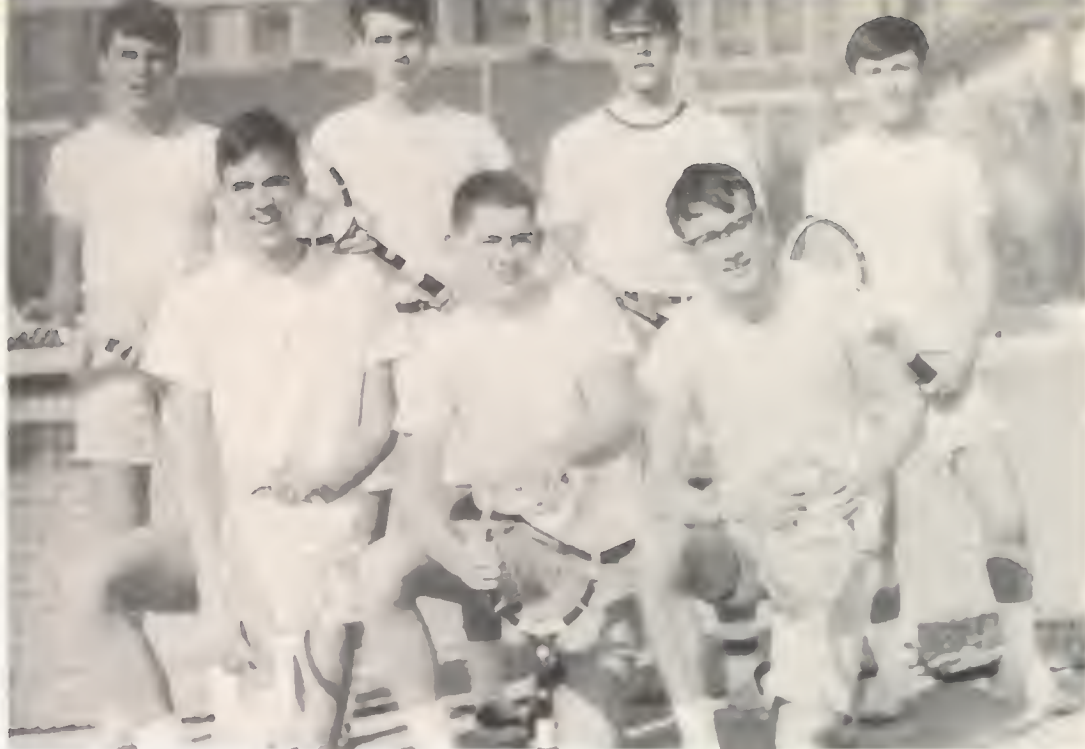

"I was very pleased with the progress of the team because they demonstrated sincere desire to win," commented Coach Schauble about his '67 Freshmen.

Two of the most outstanding players for the Frosh were Steve DeLong, who won the Inspirational award, and Dan DiCicco, who won the Captain's trophy.

This year's Frosh include: Front Row: Mike Dillon, Dale Lill, Walter Hefner, Al Pichette, Rory Mitchell, Bob Culnane, Dave Johnson, Dan Wilson, Steve Clark, Mike Hartman, Mark Kraay. Row 2: Mike Griswold, Jim Hayward, Ray Lindsley, Charles Broadwell, Ray Weathermon, John Hansen, Barry

Netmen Improve

This year's tennis team ended the fall season in third place, in a closely matched league. Two seniors, Eric Johnson and Ken Grothe, took second place in the All-City Doubles Tournament. The team, coached by Mr. William Nye, has gained invaluable experience during the first half of the season, and is ready for a rematch with their north-side rival, Shadle Park. Eric Johnson remarked, "We shall put our experience to work to defeat the teams in front of us."

Matmen Make Bid for Title

Wrestlers Work Towards State

Rated number one throughout the season until a tie with Rogers and a disputed loss to West Valley, the NC matmen ended the season in third place. The team was also third in District competition, with five grapplers winning medals.

Three NC matmen went on to the State Tournament in Bellingham. Mike Saruwatari, who was entered in state competition last year, Greg Davis, undefeated in dual matches and Gary Creighton, who wrestles unlimited and was undefeated in the City League, represented NC.

Two hours a day, six days a week, NC wrestlers spent their sessions in the "the Room." It was here that Coach Les Hogan taught them to be the warriors they are.

Kevin Graham, who wrestled 145, 154, and 165, felt that as a whole, the wrestlers had a very successful season. He also remarked, "The team would like to thank the student body for their support at the matches. This is very important to a team."

Fine Effort Given by Frosh

Throughout the 67-68 season, guided by new coach Jim Upchurch, the Freshmen wrestling team learned the meaning of "Pay the Price."

Two outstanding freshmen who frequently saw action on the Junior Varsity were Jim Carter and Steve DeLong. DeLong felt that the frosh learned much this year, and gained experience working with the varsity. He went on to say, "We were strong in the light and heavy weights, but like the varsity, lacked depth in the middle weights."

The freshman schedule was very limited. Jim Carter expressed hope that the number of matches should be increased to give more kids a chance to wrestle.

The frosh opened the season against Pullman, then finished up with two matches with Ferris and one with Rogers.

Bagmen Pursue Winning Spring

Coach Al Manfred and his young but eager Indians opened the 1968 season with a decisive victory over East Valley. From there the Indians looked forward to a winning season with hopes of capturing the city crown.

With only four seniors on the roster, the tribe relied on some outstanding juniors for added power at the plate.

For this year's team, the key word was defense. Coach Manfred stated, "To have a winning season, we must play tough defense. I'm sure with hard hitting, a lot of hustle and a little luck, the 1968 varsity Indians will end the baseball season in style."

We're With Ya Team!

This year's Red Feathers were a dedicated and enthusiastic group. Football, wrestling, basketball, baseball or track--it did not matter which--the girls were there.

Holding bake sales, a spaghetti dinner, rummage sale and selling candy financed a trip to Portland during spring vacation for the girls.

Warriors and Red Feathers held a dance together on February 21, entitled "Sweethearts 68." The Warriors chose Patti Dunn as their sweetheart and the unit selected Mike Jordan as her escort.

Their performances showed use of imagination on the part of the junior and senior Red Feathers who were this year's majorettes.

We've Got SPIRIT!

After practicing all summer, and upon their return from Cheerleading Camp, our new varsity cheerleaders were ready for the year ahead and anxious for the first football game. However they did not expect the 85 degree temperature that came with it.

Come wrestling season, something new was added in the way of black and white bermudas with white

sweaters. Worn with the pants were white knee-high socks with red and black stripes, red tennis shoes and NO CO HO SO emblems purchased by Warriors.

The cheerleaders worked extra hard this year to promote interest and enthusiasm. Many times during the different seasons the boys on the teams received tags or signs to show them the girls' interest and to spur them on to victory.

Consisting, this year, of girls from the sophomore class only, the color girls had a busy year. Not only are these forty girls required to attend all varsity sports, but they fully support their B-Squad teams.

Seven girls were chosen during the fall semester as B-Squad cheerleaders. These girls perform the same functions for their class as do the varsity cheerleaders for the junior and senior classes.

Girls Show Athletic Interests

The girls' after-school sports program was well attended this year. Interests varied from a calm round of badminton to the fast pace of the basketball courts; from a strenuous workout in a volleyball game to the graceful movements on the balance beam.

Practice, practice and more practice--five days a week and often on Saturdays as well, proved to be real workouts for the girls' varsity tennis team.

Composed primarily of seniors, the girls' golf team had one of its better seasons, 3-2, last fall. The girls practice three nights a week after school at Downriver.

Tamarack Staff Records Memories

Preparation for the Tamarack started with soliciting for ads and section assignments were made.

Each section editor was required to lay out the section, write copy and schedule the necessary pictures. This took many hours of hard work.

As the deadlines drew near it wasn't uncommon to see the midnight oils burning in the Tamarack room. The yearbook was completed in great shape after many long vigils at the typewriter and with the assistance of Mrs. Sharon Phelps, this year's new adviser.

Newstaff Uses New Techniques

Under the new printing method using offset typing, the North Central News completed the year with eighteen publications. This year's higher circulation gave the staff an opportunity to reach a greater number of readers.

Also new this year was IBM equipment purchased by the printers. Quicker printings and clearer type are the benefits from the machinery. A new class, advanced journalism,

strived for a greater understanding of the profession and contributed stories for publication.

This year's staff was larger than it has been in previous years, and under the direction of Mrs. Virginia McCarthy, the writers molded the publication into something of interest for NC students.

Graduation day, May 31, 1968, means that 400 more Indians will take their place in a world of challenge, reward, fear and promise.

This doesn't mean that NC should be forgotten, because the foundations of life learned here will decide your world for you. And all that may be needed to help you relive this time of youth is your '68 Tamarack.

After a year of frantic deadlines, and burning candles late into the night, we have attempted to preserve the highlights of your year--'68.

Sincerely,
The Tamarack Staff of '68
